#1 Affordable Fine Arts Degree

- *College Affordability Guide, 2020*

Our vision is to re-imagine creativity for the twenty-first century through interdisciplinary research spanning current and emergent artforms.

As UCI's creative laboratory, the Claire Trevor School of the Arts explores and presents the arts as the essence of human experience and expression, through art forms ranging from the most traditional to the radically new. Our international and distinguished faculty work across a wide variety of art forms and forge interdisciplinary partnerships with others across the campus. Our nationally ranked programs in art, dance, drama, and music begin with training but culminate in original invention.
