Hello CTSA Community,

Please join us for the next CTSA Graduate Research Colloquium, a chance for us to gather together and hear about some of the visionary work being done by graduate students across the school. The next event will be on 29 January, from 3.30-4.30pm, and will feature representation from Art, Dance, and Music. You can register using the embedded link in the [pdf](#) or this one:

I hope you can all join us!

Best,

Vinnie
