Hello Music majors!

Please read the letter below regarding Lab Fees and Financial Aid/Scholarships, and other music-related news and events.

Department Info:

Dear Music Student,

A warm welcome and welcome back to new majors and returnees alike! We hope you've had an enjoyable summer and are faring well, all things considered.

Please take note of the following as it pertains to Lab Fees and Financial Aid/Scholarships:

For those of you who are receiving financial aid and/or scholarships, soon you ought to receive the disbursement(s) to your Zot account. If you are or plan to enroll in instrumental or voice lessons, please be sure to set aside \$500 to pay for Course Material Fees (or "Lab Fees"). This will reflect on your Zotbill **after** the first or 2nd week of each quarter. This is necessary because Financial Aid and Lab Fees are separate systems (they are not connected). In other words, you will receive financial aid first and then are billed the lab fee 1-2 weeks into the new quarter.

Please contact me should you have any questions regarding this matter. I realize it can be confusing and will try to help - hopefully it will make sense after you undergo your first quarter.

Wishing you an outstanding remainder of the summer, and Fall quarter to come!

Sincerely,
Peter Chang
