CTSA Class of 2021 - Commencement Gift

Dear CTSA Class of 2021,

Commencement is on the horizon. While the university has been forced to adapt our traditional graduation ceremony to a virtual format for this year, we still want to celebrate every single one of you in the ways that we still can.

The Claire Trevor School of the Arts would like to send you a free **CTSA Class of 2021 T-shirt!** At the same time, we are also inviting you to participate in our **Class of 2021 Social Media Yearbook**. What will this look like? In the week leading up to commencement, every participating graduate will be individually recognized with a post on CTSA social media accounts. This effort includes all students at the undergraduate and graduate level enrolled to graduate in 2021. In order for us to pull this off, we are requesting a photo portrait, along with a written submission telling us a bit about yourself, and a favorite UCI memory.

Get your free T-shirt and participate in the 2021 CTSA Social Media Yearbook through the appropriate Google form below.

Submit your response here!

If you have a Gmail/Google account:

If you do NOT have a Gmail/Google account:

All students have access to the UCI Google suite [here](#). Select the appropriate form depending on your email account.

The deadline for us to receive your response is by **Friday, May 7**.

While we encourage everyone to participate, please know that your participation is entirely optional.

You may also have received a separate information request from the university for use in UCI's 2021 virtual commencement ceremony. While the requests are similar in nature, you will need to fill out the university's request separately. The materials you submit through our Google form are intended for use on the Claire Trevor School of the Art's social media platforms only. If you have any questions about the project, please reach out to Emily Zheng, CTSA Multimedia Specialist at zhenge3@uci.edu.

We hope to be able to celebrate you on our social media and more in June. We look forward to receiving your response.

Thank you,
UCI Claire Trevor School of the Arts
