**ADVISORS NOTES:**

- The faculty strongly discourage enrolling in more than two studio courses (Lower or Upper Division) during any given quarter. Please plan accordingly.
- If you are not able to get into your first-choice studio in a given quarter, use this opportunity to explore another media. While Drawing and Painting courses tend to fill quite quickly, Digital Arts, New Genres, Performance Art, Photography, Sculpture and Video frequently have space available.
- Join the waiting list for any classes that are full which you wish to enroll. Even if space is not available on the waiting list, it is worth showing up to the first day of class and speaking with the professor.
- If one is considering applying for Honors, it is strongly recommended that one complete at least one Upper Division studio course during the Winter Quarter of this year prior to application.
- **INTERNATIONAL STUDENTS:** You must enroll in at least 8 in-person courses in addition to Art 1A and Art 9A to keep your immigration status in good standing
