Hello Arts Students!

The [Division of Career Pathways](#) is hosting the **Career Discovery Series**, a program held during winter quarter consisting of various career panels which aim to educate students on the different career possibilities that they might consider.

Panels are comprised of UCI alumni and community members from various industries. Each panelist will discuss their current position, career path, and any tips and hints for students wanting to navigate into that career field. A time for questions and answers will follow where you can learn even more. This is a great opportunity for UCI students to learn from successful professionals who have “walked in their shoes” and can provide sage advice.

Panels take place from 4:00 p.m. – 5:30 p.m. PST through Zoom. Register on Handshake at [uci.joinhandshake.com](https://handshake.uci.edu). You can find the list of panelists from different industries at <https://career.uci.edu/career-discovery-series/>.
