

Dear students,

Greetings on behalf of the CTSA Website Redesign team.

We are beginning work on a redesign of the current CTSA website. One of the major priorities is making it easy for our core audiences to find the information they are looking for. In support of that goal, we want to know how you use the website and how well the current design assists or hinders your information-finding needs.

We're asking for a few minutes of your time to provide feedback by completing the following short survey:

<https://uci.questionpro.com/t/AaSmtZ5IGB>

(please complete by February 5, 2025)

If you have any additional feedback, comments, or suggestions beyond the survey, please sent the team an email at: ctsa-website@uci.edu

Our thanks in advance for your help in making the website better and more reflective of our dynamic community!
