

Calling All Arts Graduating Seniors,

If you are planning to complete your degree in **Fall 2021, Winter 2022, Spring 2022,** or **Summer 2022**, and have questions about the Application for Graduation process, please [click here](#) to review our Graduation Checklist presentation.

*\*\*\*If you plan to graduate by Summer 2022, you must submit an application to graduate via Student Access by the end of Fall Quarter. If you are unsure of whether you will be graduating in the spring or summer, select the quarter you will most likely finish your requirements; we can change the quarter on your application if your plans change.*

This presentation will review the steps graduating students need to know to complete their degree on time. Topics include:

- Walking vs. Degree Completion - learn about the difference between walking on commencement day and completing your degree
- Confirm Graduation Eligibility - learn how to review your degree audit on DegreeWorks to check for degree completion
- Application for Graduation - learn how to submit a Graduation Application via [StudentAccess](#)
- Next Steps - learn about other details such as academic regalia and receiving your diploma

If you have any questions about your remaining requirements and would like to schedule an appointment with an academic advisor, please [click here](#).

Best regards,

**The Arts Student Affairs Team**
