

Calling all Graduating Seniors,

*If you have not already submitted an application to graduate* and you plan to graduate this academic year, you must submit your application to graduate now by logging into [Student Access](#) and selecting Applications - Graduation.

Please review the following graduation checklist to see if you are ready to submit an application to graduate:

- I will have completed all degree requirements in Winter 2022, Spring 2022, or Summer 2022
- I have reviewed my degree audit on DegreeWorks and plan to complete the following requirements by my final quarter:
  - University requirements
  - General Education requirements
  - Major Requirements
- I will have completed a minimum of 180 units by my final quarter
- My overall GPA is 2.0 or above, my major GPA is 2.0 or above, my upper-division GPA is 2.0 or above
- All major requirements have a letter grade (unless taken P/NP in Spring 2020 or Summer 2020 due to COVID-19 exceptions)

If you do not complete your degree requirements by the quarter stated in your graduation application, we can modify your graduation date upon review.
