

Hey CTSA Students!

Have you ever wanted an opportunity to meet and interact with students in departments other than your own? This is that chance! CTSA Collaboration Night is an event for students from all four departments to come together in one space and showcase their talents to each other.

All things are welcome whether it be a quartet, a monologue, a dance, performance art, or any combination. The idea is for this to be light-hearted and fun, so performances should avoid subject matter that is too heavy.

This event is free to attend and participate in. If you have any questions, comments, or concerns, please email mbnelso1@uci.edu.

If you are interested in performing, please fill out this form by April 1st:
