WEEK 8 NEWS

Anteater COVID-19 Chronicles - Submission Deadline 02/28/21

Although the COVID-19 pandemic has been universal in its reach, no two individual experiences are alike. COPE at UCI is collecting personal testimonials about living and coping through the COVID-19 pandemic. Selected contributions from the global UCI community will be featured on a future website, The Anteater COVID-19 Chronicles, where participants will be a part of the documentation of these historic times and will have their experiences and stories read and seen by many.

Creative outlets of any kind are encouraged and can include short stories, narratives, poems, visual/digital art, or podcast audio. Stipend awards of up to $100 will be awarded to select submissions that embody creativity, overcoming challenges, personal achievement and new beginnings, and/or community involvement. The deadline for application is Feb 28th at 11:59 PM. Submissions will be accepted on a rolling basis, so early submissions are highly recommended. Although the UCI community may be physically isolated, we all remain united in this together.
