Dear UCI Dancers,

Happy Week 3 of fall quarter! We hope you are continuing to take care of yourselves both physically and mentally. Give your bodies time to get used to returning to in-person technique classes and rehearsals, and remember to be patient and kind with yourselves along the way. We want to be sure that everyone is healthy and successful for this exciting full year ahead.

Please see your Dance-related news below, including information about the Dance Visions Dancer Audition, our ZotPass Status recommendation, a reminder on studio policy, and the open CAC Computer Labs.

(You must use your UCI email in order to participate in this form)

REMINDER: You must complete the form and be present at auditions to be considered for casting!

ZotPass Status

Dancers, if you are feeling unwell and are unable to physically attend class, we recommend including a photo of your ZotPass Status in the message to your instructor. Your Daily ZotPass Status is received after submitting your Daily Symptom Check.
**Studio Policy Reminder**

This is a friendly reminder to please refrain from propping studio doors (including the door to the bathrooms from 1130) on campus. Door props can permit unauthorized access and render electronic access control systems valueless. Thank you for keeping our spaces safe!

**CAC Computer Labs**

Students may access the CAC computer labs (CAC G021, CAC 3006) and connect to the UCI net Mobile Access Wi-Fi to do homework, take online classes, charge laptops, and study, whenever a class is not scheduled. The fall quarter schedule, [attached here](#), is also posted on and inside the doors.

Sincerely,
