

Dear UCI Dancers,

Happy Week 2 of fall quarter! We know what a whirlwind the first week can be. We hope that as you start this week, you are beginning to settle into a routine and are now able to find your classrooms and finalize your schedules. This is a friendly reminder that this Friday, 10/08/21 will be the last day for the add/drop/change deadline. Please see your Dance-related news below, including information about our studio cleaning policy, and UCI's *Dance Major Journal*.

## WEEK 2 NEWS

### Studio Cleaning Policy

The Dance Department faculty have instituted a new policy for taking care of our studios. With the instructor's guidance, we will ask dancers to mop the floor, utilizing the "Marley Floor Cleaner", and remove any dirt, dust, or hair, after each technique class and all rehearsals.
