Dear Students,

The FALL [Schedule of Classes](#) will be available on Saturday, May 1st. Please view the [Academic Calendar](#) on the Registrar's website to view upcoming FALL enrollment deadlines.

Do you have questions on how to plan your fall schedule? Join the [Arts Student Affairs](#) team for a scheduling workshop!

Each workshop will go over registration strategies, course sequencing, highlight featured courses, explain the NewOnly restriction, and go over any questions you may have. Please note that we will not be going over personalized course planning in these sessions, as that should be an appointment with an Academic Counselor. We will also not be issuing any authorization codes for courses, as those should be directed to the instructor of the course.
