Calling All Arts 2021 Graduates!

If you are planning to complete your degree in **Winter 2021, Spring 2021, or Summer 2021**, and have questions about the [Application for Graduation](#) process, the Arts Student Affairs team will be hosting one-hour virtual workshops about the process on the following dates and times:

[Tuesday, 10/27 @ 3:30 PM PT](#)

[Wednesday, 11/4 @ 11 AM PT](#)

Each session will review the steps graduating students need to know to complete their degree on time. These sessions are completely optional and you are not required to attend in order to graduate. We will just be providing some clarification/additional information for seniors who may have questions about the process.

Some of the topics we will cover include:

- Walking vs. Degree Completion - learn about the difference between walking on commencement day and completing your degree
- Confirm Graduation Eligibility - learn how to review your degree audit on DegreeWorks to check for degree completion
- Application for Graduation - learn how to submit a Graduation Application via StudentAccess
- Next Steps - learn about other details such as academic regalia and receiving your diploma

*\*Please note that there **will not** be any updates regarding the UCI Commencement ceremony during this session. For more information about the ceremony, please visit the [UCI Commencement](#) site in a future quarter.*

To register, please click on the date and time above for the session you want to attend. Complete the form and you will receive an email confirmation with the Zoom link. Please be sure that you are using your UCI email when registering and attending the session. To convert your time zone use <https://www.timeanddate.com/worldclock/converter.html>.

We hope that you can join us. For future advising workshops, please be sure to check our advising page: <https://www.arts.uci.edu/student-affairs-advising>.
