## **Town Hall Meeting for Undergraduate Music Majors**

When: 2pm-3pm, Monday, January 29, 2024

Where: Winifred Smith Hall

Dear undergraduate music majors,

Please join Dean López and myself for this town hall discussion to hear some brief Music Department updates and most importantly, to share your input and questions! The Dean is currently leading a school-wide process of strategic planning, and in the Music Department, the faculty are also engaging in exciting discussions about the future of our programs. We invite you to join us in a dialogue about this work: What do you most value about your experiences in the Music Department, and how can we extend those strengths into the future? What new kinds of ideas, opportunities and support could help you thrive in your time here, and prepare even better for your path after UCI? We look forward to hearing your ideas and hope to see you there.

Michael Dessen

Professor and Robert & Marjorie Rawlins Chair of Music
