LAB FEES and FINANCIAL AID/SCHOLARSHIPS

Dear Music Student,

A warm welcome and welcome back to new majors and returnees alike! Below is a reminder regarding Lab Fees and Financial Aid/Scholarships:

For those of you who are receiving financial aid and/or scholarships, you ought to have received the disbursement(s) to your Zot account last month, or earlier. If you are or plan to enroll in instrumental or voice lessons, please be sure to set aside \$500 to pay for Course Material Fees (AKA "Lab Fees"). This will reflect on your Zotbill **after** the first or 2nd week of each quarter. This is necessary because Financial Aid and Lab Fees are separate systems (they are not connected). In other words, you will receive financial aid first and then are billed the lab fee 1-2 weeks into the new quarter.

Please contact me should you have any questions regarding this matter. I realize it can be confusing and will try to help - hopefully it will make sense after you undergo your first quarter.

Wishing you an outstanding Fall quarter!

Sincerely,

Peter Chang

Schedule of Classes and Enrollment Period

REMINDER: Students have until the end of Week 2 to add/drop/change courses. Beginning Monday of the 3rd week of instruction, an Enrollment Exception is required to make any changes. The add/drop/change policy can be found [here](#).

While you enroll in your major-related courses, please be sure to also explore any GE or non-major courses that spark your interest! Below is an invitation from the Dance department:

COME DANCE WITH US!

All are welcome to come dance with us in our non-major courses in Ballet I & II, Modern I, and Jazz I & II. Check the schedule and sign-up for class. It's a great way to get your body moving, take a break from your studies, and work on your mind-body connection. It will be fun too!

Thanks!

Best,

Molly
