Dear Music students,

As we enter Week 2, please remember that you have until 5 pm this Friday, October 16th, 2020, to add/drop/change courses in WebReg without needing exceptional approval.

Please see the note from Peter Chang, Department Manager below:

"If you responded to my survey email dated August 19 expressing need for access to practice room facilities but have not heard back from me, please contact me (again) at pechang@uci.edu. Sometimes emails get lost in cyberspace or misfiled."

And be sure to join our first Music Lecture Series, with special guest, Ryan Roberts tomorrow, Tuesday October 13th at 5 pm via Zoom.

The event information and bio is below:

Music Lecture Series: Special Guest, Ryan Roberts

Time: Oct 13, 2020 05:00 PM Pacific Time (US and Canada)

"Ryan Roberts, a California native and one of the newest members of the New York Philharmonic, will be a guest speaker and performer with the combined ensembles of the UCI Music Department. As a student at Santa Monica High School, Mr. Roberts excelled at both piano and oboe and will share some of his wisdom on carving out a career in music."

We hope to see you there!

Thank you,
