

Dear UCI Dancers,

Happy week 7! Again, thank you for continued efforts to stay healthy and safe, and to keep our Dance community healthy and safe as well. We're excited to begin filming for Dance Visions in the next few weeks, and to prepare for Dance Escape and Physical Graffiti. This is a friendly reminder that while the State of California is lifting its mandate for fully vaccinated persons to mask indoors beginning February 16th, which will require indoor masking only for unvaccinated individuals, as well as universal masking (both vaccinated and unvaccinated) only in specified settings outlined in the guidance, UCI's [executive directive on face coverings](#) will continue to **remain in place**. This means that universal masking is required in all indoor settings while on UCI property, for all students, staff, faculty and visitors.

Please see your Dance-related news below, with information regarding a new process to submit your Dance Scholarship applications, technique classes for Dance Visions dancers, a flyer for the Physical Graffiti Dancer Audition on Tuesday, 2/22/22, an update on QR codes for physical therapy appointments and reminders about studio key returns and the 2022-23 CSAC application form, due Friday, 2/25/22.
