The Annual Auditions are unique to the Departments of Music and Dance, here at UCI.

During the past 2-weekends, the department saw more than 220 applicants.

While Jazz Studies, Classical Piano, Flute, and Oboe took place virtually, a great majority of the applicants who passed pre-screening visited UCI in person.

We are deeply grateful to have had the help of student volunteers, who welcomed and checked in guests, escorted nervous applicants to warm-up rooms, and then onward to their individual auditions. You interacted with parents, and shared your personal experience with applicants, bringing a personal touch to their visit. It is a vital perspective and a high point of the process that only you, as students, can give.

Many, many thanks to you!
