

Dear Student,

Campuswide scholarships applications are now open on ScholarshipUniverse!

Current continuing undergraduate students may access campuswide and departmental scholarship applications through the new ScholarshipUniverse platform using their UCInetID and submit them through January 31, 2021.

To access the ScholarshipUniverse platform visit the link below: [ScholarshipUniverse Application](#)

Once you have logged in to the website, you will be asked a series of questions to help match you to all the scholarships you are eligible for. We recommend answering as many of these questions as possible to help match you to the maximum number of scholarships you are eligible for.

Click on the Applications tab to access both the General Scholarship Application as well as Departmental Scholarship applications. We recommend completing the General Scholarship Application first as your answers from this application will be pulled into other applications (i.e., Academic Department applications) where applicable. This way you will not have to retype answers to the same question! Once you complete your applications, you're all set! You can also apply to additional external scholarships if you wish.

Additional information on how to apply can be found here: [Applying to scholarships on ScholarshipUniverse](#)

The Scholarships unit will be hosting some helpful sessions on navigating the application. Please follow [@ucischolarships](#) on Instagram and Facebook for more information regarding these sessions as well as

the latest updates and scholarship opportunities that may arise. If you have any questions, please feel to email us at [scholarships@uci.edu](mailto:scholarships@uci.edu).

Be sure to submit your applications by January 31, 2021, by 11:59PM!

Good Luck!
